FEDERAL CAPABILITIES STATEMENT

Since our founding in 1988, we've built a reputation for keeping the customer on the forefront of everything we do. When you work with us you interact with real people who get to know your needs and take a personal stake in your success. Customer Service is not just a department at Generac Mobile Products, it's our way of doing business.

As a GSA contract holder, Generac Mobile Products always offers the most competitive pricing to government agencies. Pricing under our GSA schedule is equal to that of our most favored customers.

Our Commitment to Sustainability

The U.S. Government has come to rely on the quality, performance and endurance of Generac Magnum mobile light towers, generators and pumps for assistance in critical situations, both in the States and abroad. Along with quality, Generac Mobile Products has a philosophy of maintaining inventory levels to enable rapid response in emergency situations. Generac Magnum mobile equipment have been used in recovery efforts at The Pentagon, Ground Zero, the Oklahoma City Federal Building and in relief efforts led by FEMA in the wake of hurricanes Hugo, Andrew, Katrina, and most recently, Harvey, Irma and Maria.
