

25-35KVA MOBILE DIESEL GENERATORS

VERSATILE FINAL TIER 4 POWER THAT
MEETS CALIFORNIA REQUIREMENTS

As Generac Mobile continues to meet evolving emission regulations with our transition to Final Tier 4 diesel generators, we understand the unique challenges of customers in California. Generac Mobile 25-35kVA mobile diesel generators offer full featured Final Tier 4 power to meet the needs of most small to medium jobs and events. These generators are CARB compliant and are quick to deploy as they do not require Portable Equipment Registration Program (PERP) registration. The brake horsepower of Generac Mobile 25-35kVA generators fall below the regulated threshold of 49bhp and are exempt from PERP registration. PERP registration can take up to 100 days to complete. Time on the jobsite is valuable – so why wait? Generac Mobile 25-35kVA mobile diesel generators get you powered up quickly.

FEATURES

- Final Tier 4
- Switchable Single / Three Phase
- CARB Compliant
- No PERP registration required
- Lockable enclosure
